The Hoover Commission Report (Herbert Hoover) 1950

on Organization of the Executive Branch of Government.

The Commission: Herbert Hoover, Dean Acheson, Arthur S. Flemming, James Rorrestal
George H. Mead, George D. Aiken, Joseph P. Kennedy, John L. McClellan,
James K. Pollock, Clarence J. Brown, Carter Manasco, James H. Rowe, Jr.

McGraw Hill, New York.

"The necessity for reorganization of the executive branch of the
Government. This Commission was created July, 1947, with FULL APPROVAL
OF THE PRESIDENT."

"The critical state of world affairs requires the Government of the
United States to speak and act with unity of purpose, firmness, and
restraint in dealing with other nations. IT MUST ACT DECISIVELY TO
PRESERVE ITS HUMAN AND MATERIAL RESOURCES."

Page 15 "The National Security Council and the National Security Resources
Board, which were made advisory agencies to the President BY THE NATIONAL
SECURITY ACT OF 1947, are the two MOST CONSPICUOUS CABINET LEVEL
COMMITTEES. They are LOCATED IN THE SAME BUILDING WITH THE AGENCIES
OF THE PRESIDENT'S OFFICE, AND TO ALL INTENTS AND PURPOSES ARE PART OF
THAT OFFICE."

"The National Security Council deals with national security
matters and with STRONG FOREIGN POLICY OVERTONES. THE NATIONAL SECURITY
COUNCIL IS UNDULY WEIGHTED IN ITS STATUTORY MEMBERSHIP ON THE SIDE OF THE
MILITARY DEPARTMENTS".

Mae: After World War II, when the British Empire,
French colonial holdings, were falling apart, the
United States moved Nazis and plans to the USA,
Bahamas, South America, Africa and Asia.

The National Security Council, headed by
German Henry Kissinger and Polish-Nazi Zbigniew
Brzezinski, will lead us through continuous wars,
from Vietnam to arming Africa, Middle East, as their
viscious power grab for oil, slave labor, minerals,
and material profits for their bosses escalates.

dollars in eleven Russian oil companies in 1909." Hoover wanted his
money back after the Communists took over, and armed the "war relief"
soldiers with our \$94,938,417 with Guns instead of food.
