PLEASE NOTE: GLASS HOUSE TAPES, Louis Tackwood, AVON (Hearst Publications)  
 Louis Tackwood's book an expose about Evelle Younger, former Los Angeles District Attorney, now Attorney General of Calif., currently running for Governor. (Like Arlene Specter, PA.)  
 This book exposed CCS, Criminal Conspiracy Section of the LAPD, and Chief of Police Ed Davis, also candidate for Governor, Calif.  
 Was Patty Hearst selected to retaliate the HEARST EXPOSE OF both MARTIN BORMANN, usefull Assassin today, AND LAPD, CALIF. law enforcement links?
