REP.RICHARDSON PREYER (DRUG KING,STERLING-FLU-vaccine,THALIDOMIDE)

"The Justice Dept.should pay particular attention to anti-Castro Cubans and crime syndicate members in any followup investigation of the JFK murder."

THE JUSTICE DEPARTMENT WORKS WITH THE SYNDICATE AND CIA-CUBANS. WATERGATE AND SEN.CHURCH HEARINGS PROVED THEIR IMMUNITY.

Working from bottom to top, Mae Brussell is at point 9.History is being written by the Pentagon.

"Critics" working with AIB hold the line at #5.Through the next 15 yrs, watch the facts escalate to point #9.

9.Pentagon.Otto Winnacker,"historian" who sent military to write Warren Report.CIA.Military.Whoose who in CIA

8. Interpol,Nazi-J.E.Hoover,Hydrich connections. Martin Borman,Argentine,Minsk,New Orleans,New Jersey, Houston,Dallas connections.

7. CIA,NSA,Navy Intelligence,Defense Industry Sec.Command

6. FBI,Division V of FBI,Internal Security,links to Defense agencies listed above,working with Oswald and Oswald doubles in USA,Mexico.

WHERE THE COMMITTEES,CRITICS ARE NOW,AT THIS LEVEL,HOLDING THE LINE!!

5. Anti-Castro Cubans, revenge for Bay of Pigs "fiasco".

4. Organized crime, syndicate, revenge for Robert Kennedy, JFK. prosecutions and for kicking them out of Havana hustling.

3. The USSR ,KGB planted Oswald,wanted JFK dead.(no logical reason except that "Russians" didnt like missile stance JFK took in Cuba.

2. Fidel Castro wanted JFK dead because CIA was trying to kill him.

1.

LEE HARVEY OSWALD DID IT ALONE.He saw a movie,fought with his wife, hated Kennedy because he was rich and happy,and didnt like Marina. Transferring his jealousies,wanting a place in history,he killed JFK.

ASSASSINATION INF.
BUREAU, CRITICS OF HOUSE
SELECT COMMITTEE.

AIB QUESTION: WHAT MISTAKES OR OMISSIONS DID THE HOUSE SELECT COMMITTEE MAKE?

Jerry Policoff

"Dr.Hume testimony on autopsy."

"Failed to test bullet #399,pristine bullet."

"Ignored Oswalds New Orleans visits with Ferrie,Bringuier,Warren DeBruays." "They went after critics with the umbrella man."

David Lifton

"The medical evidence was restricted!"

Sylvia Meagher

"The very cursory interrogation of Dr.Hume,I think that's the single most scandalous and outrageous element".

"Marina Oswald ,never challenged on Walker shooting,Nixon attempt".

"Marina Oswald,how she obtained FBI agent Hosty's adress,number."

Harold Weissberg

"They never adressed the evidence,the body of the case".

Paul Hoch

"They failed to press Dr.Hume"

"They failed to pay attention to the fact that Oswald was framed"

"Left out Dallas involvement,how Ruby got into the Basement".

Bernard Fensterwald,Jr.

"They permitted the FBI and CIA to dictate who they had on staff".

"They didnt use their subpoena power towards the executive branch."

"They canceled having Sylvia Duran testify".

MAE BRUSSELL,MISTAKES OR OMISSIONS

They didnt prove that Lee Harvey Oswald received the rifle from Kleins mail order shop in Chicago.

They didnt ask Marina Oswald,being as she used that alias "A.Hidell", if she ordered the weapon.They didnt ask her if she was present when such a weapon was transferred to Mr.Robert Taylor,Shell Service station, Irving,Texas.

They didnt ask Marina if Oswald left from the front of the building and departed from the depository into the Paine's station wagon,as Oswald said he did.

WHY DO THE CRITICS IGNORE THIS INFORMATION?INCLUDING GEORGE EVICA'S NEW BOOK,"And We are all Mortal"

Because,to get to MARINA,AND THE MICHAEL PAINE FAMILY WOULD TAKE YOU UP THAT LADDER, FROM POINT #5..to POINT #9.Point #9 is where the answers are,and those agencies and persons,still alive,are protected. PRESIDENT A.HAIG WILL BE THEIR COMMANDER ,OR JOHN CONNALLY,AND THAT IS why the AIB,Mark Lane, George O'Toole (CIA) and others try to keep the lid on the whole story.Settle for "CRIME" or "CUBANS".
