Tape # 473 Dec.28,1980  
John Lennon, Part III.

Happy New Year  
What can we do about it?

## WRITE PUBLIC OFFICIALS, THE NEWS MEDIA, CALL TALK SHOWS, WRITE LETTERS TO THE EDITORS, FORM DISCUSSION GROUPS. WRITE, CALL JUSTICE DEPT.

- "Investigate programmed zombies".
- "Do away with insanity plea".
- "Find hospitals, doctors who treated these people."
- "Why the assistance, never exposed?"
- "Where does the money come from?"
- "Have the IRS investigate their mother, father, wife, friends, see who finances the assassins".
- "Locate the missing evidence".
- "Trace the doubles, other identities, arrest records, etc."
- "Publish their passport book, countries they visited."

## REMIND NEWS MEDIA, OFFICIALS, OF SIMILARITIES IN THESE CASES.

Lee Harvey Oswald, Marina Oswald, Jack Ruby, Sirhan Sirhan, James Earl Ray, Arthur Bremer, Jim Jones, Charles Watson, Charles Manson and "family"; Dennis Sweeney, Dan White, Mark David Chapman, and others.

## QUESTION THE MEDIA SOLUTIONS, INSTANT ANSWERS TO COMPLEX QUESTIONS.

The "ex-mental patient" with police, govt. contacts, the "loner" with friends and money, the political assassin or selected patsy.

## CHECK OUT THE FAMILIES

All political, right-wing, links to defense-military, stay in background, women who accompany the men, fade away. Parents, wives or friends, brothers, relatives who assist, fund, conceal facts.

## STUDY MIND CONTROL. MORE IMPORTANT THAN GUN CONTROL.

For books on mind control, write Research, P.O.Box 1107, Aptos, Calif. 95003.

## ARE PEOPLE ABLE TO MAKE CHANGES IN SOCIETY, OR JUST TO MAKE EXCUSES?

Most common excuses:

1. There cant be a conspiracy. It would require too many people.
2. The Justice Dept., Police, will investigate for us.
3. You cant fight city hall, will never learn the truth.
4. Why cant a "loner" want to kill John Lennon, RFK, MLK, JFK, etc?
5. Support organizations, let them do the work for me.
6. I "dont have time" to investigate the murders.
7. People will think I am "crazy". Nobody believes in conspiracy.
8. "I am all alone". Nobody shares my views or feelings.
9. Investigating brings surveillance, bugging, wire tapping, etc.
10. It is dangerous to look into the CIA, FBI, IRS, etc.
