HAPPY BIRTHDAY ADOLF HITLER, APRIL 20, 1889.

61 years of his "1000 year Reich". Only a few more countries to go. You are almost there. You gave them what they really wanted.

SECRET SERVICE, FBI, WHITE HOUSE STAFF

"What difference does it make if John Warlock Hinckley Jr. were in Carmel, in Calif? Why is his chronology important?"

The investigators do not want you to know

how far men like Oswald, Sirhan, Ray, Bremer, Hinckley, Chapman travel. That would mean financial assistance, contacts, location of mind control places, weapon depots, other nests of assassins for the future. The LONE ASSASSIN grand lie of Uncle Adolf would fall apart. This is how Adolf took over in 1933.

TWO TELEPHONE CALLS FROM MARINA OSWALD PORTER, April, 1981.

Is her mind control wearing off? Is she tired of seeing "Lee Harvey Oswald" after every murder, more of the same lies?

After seventeen years in the USA, is she still involved with CIA, DIA, Navy Intelligence? What does she want from me now?

Without Marina Oswald and Ruth Paine, there would be no history of "Oswald the assassin", that history firmly set in the books. No physical evidence to link Lee. Marina 1st witness.

IS THERE A LINK OF NAZI ASSASSINS ACROSS USA KILLING BLACKS MANY PLACES NOT FED INTO A NATIONAL COMPUTER? Tape # 460 Purpose? Riots.

Is there a connection between Joseph P. Franklin, John Hinckley Jr, and the Atlanta, Ga. murders, along with other cities?

Joseph Franklin, Salt Lake City conviction. Wife, "he acted like he was a secret agent. 18 aliases, changing guns, cars, dyeing hair." "Had to be paid, never had any money". Known cities he "visited", killings there, Oklahoma City, Columbus, Ohio, Montgomery, Ala., Florence, Ky., Lockland, Fla., Charleston, W. Va., Ft. Wayne, Indiana, Salt Lake City, Utah, Buffalo, N.Y. Maryland.

John Hinckley Jr, Nazi Party in Texas, St. Louis, Mo., Chicago, North Carolina, Denver Posse Comatatus National Constitution Assoc., links to weapon training camps in Ga, Colo., Ark. Lubbock, Texas., Dallas, Houston, Denver, Colo., Nashville, Tenn. Told judge in Nashville, "in law enforcement", released from arrest, no fingerprints. Nazis, "he was agent provocateur or CIA or agent". Calif., New Haven, Conn. New York, Atlanta, Ga. Handcuffs, hollow bullets, interest in "children" in Hollywood. Washington D.C. at least twice. Family background with extreme right, CIA, DIA links.

position of near omniscience so far as Watergate is
concerned. As a candidate for "deep throat" the D.C atty.
has no rival". (Deep throat got Nixon out, will Hinckley get
Reagan out, or Hinckley's associates, many of them?)

Page 210. "More than anyone else, Edward Bennett Williams may be said
to have the keys to American History. Besides Watergate, his

"EDWARD BENNETT WILLIAMS IS ALL OVER THE PLACE."
SPOOKS, page 210. "HIS LIST OF CLIENTS EXOTIC ENOUGH TO SATISFY INTERLOCKING FANTASIES

illegal act". You might agree that this gang did those acts with others.
