THANKYOU FOR YOUR BEING A WORLD WATCHER. HAPPY NEW YEAR, HAPPY HOLIDAYS.

You are a rare species, a special kind of person who is not afraid of hearing new ideas, of examining, of listening, and of questioning many of the distortions or outright lies that are threatening our survival.

You may not agree with my interpretation of events. You are willing to hear them out, and test them with time and information.

Many of you have responded with more articles, books, leads, and invaluable information. There is no way I can thank you for this. The research is a challenge for me. You are a part of that, sharing the discoveries. Information has its own power and energy.

"THE EMOTIONAL IMPACT OF DISASTER, NUMBING OF EMOTIONS" NYT 11/26/85  
Dr. Mardi Horowitz, Univ. of Calif. San Francisco

"Normal Response" 1. Outcry, sadness, rage. 2. Denial, refusal to face.  
3. Intrusion, unbidden thoughts 4. Working Through, facing the reality of what happened 5. Completion, going on with life. (THESE ARE NORMAL CHANNELS FOR NORMAL TRAGEDIES)

"Pathological Response"

1. Overwhelmed, swept away by immediate emotional reaction.
2. Exhaustion or panic, resulting from emotional reaction.
3. Extreme avoidance, even to extreme methods, drugs. (Narcotics, perscription, alcohol, and use of TV, media avoidance).
4. Flooded States, persistent images and thoughts of the events.
5. Psychosomatic Responses, bodily complaints, no resolutions.
6. Character Distortions, long term distortions, affect work, ability to love.

WHAT AMERICA IS SUFFERING FROM ARE PATHOLOGICAL RESPONSES TO ABNORMAL EVENTS. Arranged assassinations, catastrophes, murders, accidents, terrorism. The creation of "terrorism" as a political tool, perfected by Czarists and then Adolf Hitler, moved into America, then to the world.

"US flawed, doomed political system. Buildings with swastikas, millions unemployed, right wing extremists controlling D.C. politics, on the brink of economic disaster collapse. Certain circles control all the power The rich grind the faces of the poor. They control the power centers for their own needs and run things for their own interests. Skyrocketing unemployment, deficits, and budgestary fiascoes."

(Where did Michail Gorbachev get such silly ideas?)

What would he think if he listened to World Watchers weekly?
