VILLAGE VOICE, Alexander Cockburn, 2/5/79

"I dare say that if Carter discussed the matter (Rocky's death) with Teng Hsiao-ping the latter might have responded that similar uncertainties attended the death of Lin Pao. Certainly Pope John Paul II could have confirmed from Mexico that contradictory statements followed the death of HIS predecessor John Paul I, you may recall, was first stated by the Vatican to have been reading Thomas a Kempis when he died with a smile on his face.It turned out later to be a heart attack after reading unpleasant bureaucratic memorandum. Still later they said he'd been poisoned by a nun."

The line of successsion for corporations,conglomerates such as Hughes Aircraft,ITT, oil companies,warfare contractors and aerospace industries was Richard Nixon, Sprio Agnew, then Ronald Reagan.

SOME MORE QUESTIONS TO ASK

WHERE WAS ANDREW HOFFMAN FROM 9:00 p.m. until 11:00 P.M.?

If Megan Marshak was alone with Rocky, where was his security guard?

If Hoffman was present, why did she call Ponchitta Pearce at 10:15?

Hoffman was allegedly Rocky's security guard.

How long did he work for him? What past training, location?

WHY DID HOFFMAN MAKE THE DECISION TO SEND ROCKY TO LENOX HOSPITAL?

St. Clair's Hospital and Roosevelt Hospital were nearby, closer.

On what basis was Rocky sent to Lenox?

WHO PLACED THE CALL TO DR. ERNEST ESAKOF TO GO TO LENOX HOSPITAL?

When the ambulance was called, Rocky's name wasnt mentioned.

Megan Marshack was in the ambulance.

What time was Esakof contacted?

Who told him to get to the hospital where Hoffman directed the body?

WHY WOULD PONCHITTA PIERCE KNOW HOW TO FIND ROCKEFELLER'S CHAUFFER?

Chauffer parked a block away on 55th St, around the corner.

Why call the chauffer before the emergency. Not needed anyway!

Did she contact Andrew Hoffman? Did she call Dr. Esakof also?

How long has Ponchitta Pearce known Megan Marshack?

What is her background? Were these "boiler room" females?

WHO IS THE UNNAMED SOURCE OF RELAYING BITS AND PIECES ABOUT THE HOUR OF DEATH, AND ABOUT MS. PIERCE "IN THE INTERESTS OF TRUTH?"

Is this a Watergate, Chappaquiddick scandal to smear Rocky,

knowing the body is cremated so the truth will never come out.

Any poisen, needle marks, etc. are gone forever. Only Tony Ulasewicz type smears in the media.

WASHINGTON POST, 1/29/79

"ROCKEFELLER'S BODY IS CREMATED ONE DAY EARLIER THAN EXPECTED"

"Aides originally said his body would be cremated on Monday.

There was no explanation why the body was cremated a day earlier."

PILOT ERROR BLAMED IN CRASH THAT KILLED CANDIDATE FOR SENATE

Assoc. Press. Washington Post. 1/31/79

"The airplane crash that killed Va. Republican senatorial candidate Richard D. Obenshain was caused by pilot error and misjudgements. The pilot had too little experience. Investigators could not determine who was piloting. Killed were Obenshain, 42. Three others were named, identified, but not the pilot. No name. Sen. John Warner took over Obenshain's nomination and won by 8,000 votes because of "my record of wanting segregation as Secretary of the Navy".

NOTE THAT THE NATIONAL TRANSPORTATION SAFETY BOARD KNEW ABOUT THE "LACK OF EXPERIENCE" OF THE PILOT, BUT DIDNT KNOW HIS NAME?
