TIME, Sept.5,1932, page 14.

"The average German was behind the von-Schleicher-Papen regime 100% in their determination to put an end to political assassinations.

Adolph Hitler wrote,"Herr von Papen,your bloody objectivity does not exist for me.I am not suited to become the executioner of patriotic fighters for freedom."

"Freedom" meaning Nazism.

"Emil Gumbel's real dynamite was three books published between 1919 and 1922,FOUR YEARS OF WAR LIES, TWO YEARS OF POLITICAL MURDER, and FOUR YEARS OF POLITICAL MURDER. In these the Professor listed proof of over 400 political assassinations. In 1924 the Minister of Justice admitted the truth of most of them."

CHAPPAQUIDICK ROCKY, SCANDALS AND POLITICS

"Private Lives of Public Men: Scandals Shadow Campaigns."

Joseph Kraft, 2/12/79

"Rocky lost nomination 1964, divorce, remarriage".

"Kennedy lost 1972, Chappaquiddick".

"Pres. Ford has a wife with drug addiction, alcoholic".

"Jimmy Carter has Billy, Bert Lance, and problems."

"That leaves RONALD REAGAN. What little I have seen of him suggests a picture book life, wholesome and easy like an old movie".

Mae: See how the script goes?

Watch it escalate!! Is the "old movie" Bedtime for Bonzo?

ANDREW HOFFMAN. I asked last week, Tape #375, 2/9/79, where is he?

Still important. Walkie talkie inside, man with talkie outside.

Because he ordered Rocky to go "22 blocks to Lenox Hospital!"

instead of Roosevelt Hospital, 51st and 8th Ave, who is he?

With Rocky 9:00pm. Not seen, appeared when ambulance arrived to direct.

Dr. Ernest Esakof

Graduated medical school, Johannesburg, 1952. (Cold war in USA)

Staff of Lenox Hill Hospital. Ordered "no autopsy", approved cremation. Not only cremated, but rushed from Monday to Sunday.

Rocky's death has national, international consequences.

South Africa, Prince Bernhard, Royal Dutch Shell, World War III,

the Fourth Reich, all these things are moving. Who is the cast

of characters. Where do they get this kind of power?

No stone must be unturned. Chain of command, Pierce, Hoffman,

Esakof!!!!

Dr. Michael Baden, Chief Medical Examiner, New York City.

CIA, Worked with G. Robert Blakey, headed medical part of cover-up of JFK assassination, 1977-1978.

In SAN DIEGO when Rocky died. Didn't look for poison in wine.

Didn't treat apt. as possible homicide.

Did they test vomit on couch? Needles in body? Who on premise?

5 story townhouse, backing to 5 stories behind. Chauffeur parked

on 55th st. Never seen until appears at hospital.

Was Baden with La Costa folks? Shades of Watergate.

Dr. Ernest Esakof, remarks on allowing cremation, no autopsy.

"What the family wants, that's their absolute right".

"We have no right to order it". We're not busybodies".

"Families have rights too".

Mae: Work to change these laws.

Political figures, witnesses, should have autopsies.

Quick cremations, John Paisley, Lee Oswald, Jim Jones,

Nelson Rockefeller and hundreds more should be public

record. The RFK autopsy in L.A., Dr. Thomas Noguchi,

confirmed the SECOND GUN, Sirhan didn't fire fatal shot.

Is this why CREMATIONS have become so popular?
