MAXINE SWANEY LOCATED

Tape # 368, Dec.22,1978.Dec.8,1978 New York Times article.
Terri Buford,Jim Jones,arrangements to send Grace Walden
to Guyana, via Mark Lane."We might off Maxine Swaney's
passport.We have her passport".

UKIAH, Press Democrat,Nov.23,1978

"Those who left the Temple disappeared or died".

"Ex-members called for a PROBE OF THE DEATH OF A MAXINE
SWANEY,KILLED IN AN AUTOMOTBILE ACCIDENT IN 1976.Jones
reportedly told followers Mrs.Swaney died because she
intended to leave the church".

MARK LANE,LARRY FLYNT,\$1,000,000 ad& placed in 42 newspapers,for
"information on the JFK assassination", to be "turned over to Lane".

Question:Where are those witnesses?

Where is the information?

Could they be eliminated by zombie killers, with over
\$13,000,000,Jones trained,for "car accidents","suicides?"

SAN FRANCISCO BAY GUARDIAN,Dec.21,1978, Robert Levering

"Charles Garry said that Mark Lane told him that Gene Chaikin,
attorney for the People's Temple, had been drugged in Jonestown,
several months earlier (before Leo Ryan death), after he had
OBJECTED to some of Jone's activities". Garry demanded to see
Gene Chaiken while there,but was refused his request".

Chaiken and family died in Jonestown.

Who else was sent down there?

Of Attorney Chaiken was "drugged" and never seen again,
and Grace Walden was going to be shipped to Jonestown at the
time she could prove James Earl Ray was not in the rooming
house, was Dan White in Guyana the two years he was
"missing from San Francisco".?

DAN WHITE MURDERED MAYOR GEORGE MOSCONE

White is a zombie,with no emotions or reactions.

White was gone two years,turned into the sleeper killer.

Upon return to S.F,he "met " his future wife,recently
returned from "4 years in Germany,1 year in Japan".

What cities was White in? Get passport.Did he leave country?

Was Jonestown an assassination,zombie training camp as
Terri Buford stated after the deaths took place?
