Related story of Yuri Nosenko, by Hart, avoided his purposes here.
 Defected to USA April, 1946, months after JFK assassination.
 Member of KGB'S Second Chief Directorate.
 Responsible for counter-intelligence within the Soviet Union.
 Most important KGB officer ever to "escape".
 Arrangements for escape taking place around the time of
 JFK assassination.
 Nosenko kept isolated from everybody except a few, until
 1968.
 John Hart and John Paisley, CIA counter-intelligence, with
 Nosenko.

Nosenko is the one man who could have arranged Ziger's moving
 to Minsk from Argentina, Marina's meeting Oswald, and Oswald's
 placement for work at the Minsk Radio Factory.
 Living now in North Carolina, still close with top officials
 of the CIA, with new identity and lots of \$\$\$, this is no doubt
 a connecting link.

MRS. MARYANN PAISLEY

Immediate superior in CIA was Katherine Hart.
Held high sensitive jobs, more than "contract" employee.

JOHN LYMOND HART

Played the key role in clearing Nosenko of KGB suspicions.
Brought Nosenko to USA, kept him "isolated". Memory erased.

KATHERINE HART

Wife of CIA agent John Hart.
CIA superior of Mrs. Paisley.
HANDLED FUNDS FOR CLANDESTINE OPERATIONS BY OVERSEAS CIA STATIONS.
SENIOR OFFICER IN THE REQUIREMENTS DIVISION.

Ziger money, Argentina to Minsk?
Lee money, New Orleans to Moscow?
Priscilla Johnson money, CIA, Moscow?
Sirhan family \$\$, Palestine to Calif?

CIA, SOVIET AFFAIRS, CLANDESTINE OPERATIONS.

Yuri Nosenko, John Hart, Katherine Hart, Maryann Paisley, and
John Paisley could have one thing in common.

They handled money overseas, mail opening, counter-intelligence,
and placement of agents. Ziger, Marina, Lee connections, with Lee
and Marina to USA, paid for by USA was too smooth.

I believe that Yuri Nosenko had to get out of USSR fast..once
JFK was killed..because KGB would catch him. Nosenko, with KGB
position, could be contact man for Lee, Marina, Ziger, Johnson,
Snyder and McVickar.
