"Newspaper photograph taken at a birthday anniversary party for Hitler near Rio de Janeiro".

FACTS

Wagner went to Brazil police immediately.

Realized he was recognized, April, 1978.

Poland, West Germany didnt want to extradite him.

Kept close to police until death this week.

RUMOR, WHAT I WAS TOLD, VISITOR TO BRAZIL.

Two years ago. I was told, "Hitler at that party". Because of Wagner being recognized by picture, Hitler didnt return to Argentine or Antartic. Went to Switzerland, sanitarium, instead. WORLD JEWRY, WIESENTHAL, STRANGELY QUIET ABOUT THIS PARTY, DOCUMENTS. NOW WAGNER DEAD.

Question: If Wagner brought to trial, located, in custody of police, would he have talked? Just kept repeating, "I only obeyed orders." Common excuse.
