"WE NEVER WENT TO THE MOON" Bill Kaysing

GUEST FOR THIS BROADCAST, BILL KAYSING, EXPERT ON A MAJOR HOAX.

"WE NEVER WENT TO THE MOON"

New copies being revised, ready next month.
Order from Research, P.O. Box 1109, Aptos, Calif. 95003

THE MOST SERIOUS HOAX?

John Meir, 10 year engineer, employee of Howard Hughes, Summa Corp.
Press conference, Vancouver, B.C. Jan. 16, 1981.
Stated three things:

1. "Howard Hughes is not buried in Texas".
2. "The CIA is the Hughes organization, fronted by "Hughes".
3. "The CIA works illegally in Canada!"

Mae Brussell, Playgirl, Dec. 1974.

"Is Howard Hughes Dead and Buried off a Greek Island?"

First published account in the world suggesting the depth of this hoax, which involved assassination teams, money for politicians, mob connections to CIA, FBI, White House, computer questions, computer handwriting. I believed at the time that patsy for the Hughes body was Brooks Randall. It was Vance Cooper. For six years the facts have held together. Exhume "Hughes", "Cooper".

BROOKS RANDALL SURFACED, DEC. 1976, SAID "VANCE COOPER IN HUGHES GRAVE".

Good Morning, America. Robert Hartman, 12-15/76

Brooks Randall said, "Vance was voice of Hughes, in grave now."

ANOTHER HOAX. JFK ASSASSINATION CONCLUSIONS.

GALLERY, March, 1981, "THE MAN WHO HAD A CONTRACT TO KILL LEE HARVEY OSWALD BEFORE THE JFK ASSASSINATION".

Richard Case Nagell, the Chicago connections, murder plans.

Gave FBI information. They ignored.

Warren Commission, House Select Committee on Assassinations ignored.

This article should prove Oswald doubles by descriptions.

ANOTHER HOAX. THE LINDBERGH BABY KIDNAPPING.

"Is Lindbergh's Kidnapped son Still Alive?"

"IN SEARCH OF THE LINDBERGH BABY"

Theon Wright, Tower Paperback, 1981. \$2.75.

Several possible motives for the hoax.

Lindbergh with FBI, vs mob prohibition distillers.

Turn Lindbergh against USA, moved to England, pro-German.
