WHY WOULD ANYBODY WANT TO SHOOT JOHN PAUL II? WHAT MOTIVES?

The Vatican and John Paul II, Catholic Empire, always very political.
Possibilities or combinations.

1. Moslem vs Christian war?

No, I doubt that. He recognizes PLO, Middle East, refuses to
acknowledge Israel. PLO, IRA, POPE all on same side.

2. The far far right, more fascist than most military governments
today, who want no interference with possible blood bath in
Central America. El Salvador, Honduras, Cuba, Nicaragua, Guatemala?
Possibly, linked to other motives.

3. Protestant vs. Catholic, Carl McIntyre, Texas, Florida, sun belt
dislike of Pope John Paul II? Hinckley-Richardson crowd.
I doubt that. Shoot one Pope, you get another. Not that easy.

4. Interference with Turkey politics, economy, Vatican links to
NATO, Reagan, Haig, to direct Turkey, divide against Moslems?
This "economic factor" strong when linked to narcotic war.

5. Narcotic war. Richard Nixon, Alex. Haig, Ronald Reagan, all old
Watergate team, G. Ford tied off, paid off Turkey heroin,
Marseille, Corsican drug profits since 1971.

They profited from Southeast Asia, South America, and now Middle
East, Turkey, Lebanon, waking up and fighting back.

More next week on these details.

This drug war, Vatican, Pope Paul VI, Michele Sindona, USA
investments, millions lost, Polish Pope as outsider, close
links to CIA, heroin market, imperialism, could be the cause
of the shoot-out in Rome.

WAS THERE A WORLD CONSPIRACY? L.A. Times 5/15/81 Louis Fleming

I thought they would never ask:

"Did Mehmet Ali Agha have connections with international terrorist groups?"

"What was the source of his money to escape from Turkey in 1979?"

"Why the quick trip to Palermo, Sicily, in December?"

"Why the two week vacation to Milan, Majorca, to Rome 4 days before?"

"He had protection and accomplices beyond debate. It is certain."

"ACCOMPLICES BUT NO CONSPIRACY" NYT 5/15/81 Rome Police, of course.

"He had no accomplices in St. Peter's Square, and none, in all probability, in Rome or Italy." 24 hours later, they know?

"Warrants issued for assailants in case there appear/"

PIERRE SALINGER, ROME, ABC NEWS, 5/15/81. PRESS SECY. TO PRES. J.F. KENNEDY

When bullets flying in Dallas, Texas, he never asked a question. Seventeen years later, Pierre is getting curious? How come now?

"Where did he get his money to travel? Iran, Lebanon, Bulgaria, Yugoslavia, Germany, three trips to Italy, Spain, Hungary, elsewhere?"

"Is he alone or part of an international conspiracy, an agent?"

"Committed no robberies or burglaries to obtain documents."

"SPANISH PRESS REPORTS VATICAN, U.S. CONTACTED BEFORE COUP TRY."

Santa Barbara, Calif. News-Press, 4/30/81

"U.S., Vatican informed by military conspirators before their attempt to overthrow the democratic government." "US, Vatican ruled out before the coup."

Haig didn't "rule out". Vatican might have.

Did Agha, coming directly from Spain, work with conspirators?

"GENERAL ALEX. HAIG VISITS POPE, ROME" NYT 5/3/81

Did Pope John Paul II go along with Haig, WWII policies?

CLAIRE STERLING, "THE TERROR NETWORK", LATEST USSR SCARE. LAT 5/14/81

"Assailant probably driven by fundamentalist Muslim hatred rather than political reasons."

She missed the boat, again. Nothing to be gained by fundamentalist hatred of Rome at this time. Small sect would be wiped out.

What would they accomplish? Public Relations on Pope too good.

TERROR ON THE RIGHT? Monterey Herald, 5/15/81 Fernand Auberjonois.

"The investigation of international terrorism is only in early stages"

"Authorities in Europe have been warning of the dangers of oversimplification."

"U.S. Senators looking to Moscow, find men of extreme right."
